LOCATION & LOGISTICS

LOCATION, LOCATON, LOCATION!

Situated on the shores of Cardwell Lake 25 minutes north of Bancroft (only 3 hours from the GTA), Crown View Cottage is optimized for sledders who take their missions (and relaxation) seriously.

“

NEVER BEEN TO BANCROFT?

LIVE IT.
LOVE IT.
RIDE IT.

Let's just say that when you can buy a hoodie at the local grocery store with this logo, you're in the right place for a sledding adventure.

UNLOADING & PARKING... EASY & AWESOME.

It all starts on arrival with a driveway (really more of a parking lot) that allows you to swing your truck and trailer around for a stress free unload.

Ample room for your entire crew to park. Magical!

TIME TO JET!

Warm up the sleds with a quick rip on the lake, then head south a few miles (only 5 minutes) to the B106E. Make a stop at the pub in Maynooth, then head into Bancroft where the trail goes right through town. Grocery runs will never be the same.

REST & RELAXATION

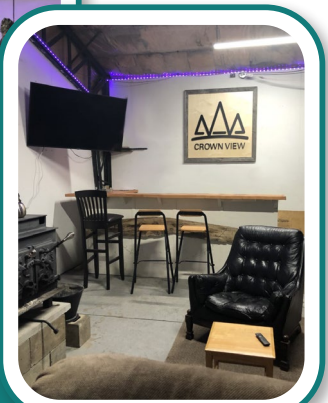

“

BORN AND BRED, TO RIP AND SHRED!

LEAVING THE SLED OUTSIDE IS OK, I SUPPOSE... FOR THE HOTEL PEOPLE.

Remember dropping tools in the snow while trying to change Bob's plugs in the hotel parking lot last year? Not here. Put your sleds to bed dry and secure. They'll be purring in the morning.

WARM YOUR BONES.

Insulate & Internet is the name of the game after a long day on the trail. As your sleds sleep you're 10 feet away 'cause the shop also houses your hang-out. Have Alexa serve up your best 90's alternative jams while you get the wood stove roaring. Then settle in at the bar while the multitude of hangers dry your gear and your helmets warm up on dedicated shelving. When you've lost your last game of poker or pingpong, time to sink into a lazyboy and watch the game.

TIME TO RE-GEN.

BBQ off the kitchen while you consider an ice skate, or dropping a line, or just sit back and relax and watch some Netflix. Fire up the wood stove downstairs and stake your claim to one of four double beds or futon couch. Two full bathrooms handle the morning scramble to get you on the trails bright and early.
